This appendix serves as an explanatory statement, as required by the Share Buy Back Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of the Repurchase Resolution.

This appendix also constitutes the memorandum required under Section 49BA(3) of the Companies Ordinance.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company was HK\$411,170,432 divided into 4,111,704,320 fully paid Shares.

Subject to the passing of the Repurchase Resolution and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 411,170,432 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

### **2. REASONS FOR REPURCHASE**

The Directors believe that the Repurchase Proposal is in the best interests of the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

### **3. FUNDING OF REPURCHASES**

Repurchase to be made pursuant to the proposed mandate to repurchase Shares of the Company would be financed out of funds legally available for such purpose in accordance with the Company's memorandum of association and the Articles of Association and the applicable laws of Hong Kong and the Listing Rules. Such funds include, but are not limited to, profits available for distribution.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31st December, 2012 in the event that the general mandate pursuant to the Repurchase Proposal was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the general mandate pursuant to the Repurchase Proposal to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

#### 4. SHARE PRICE

#### 5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules and the applicable laws of Hong Kong.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates, have any present intention to sell any Shares to the Company under the Repurchase Proposal if such is approved by the Shareholders.

No other connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Repurchase Proposal is approved by the Shareholders.

## 6. TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Proposal, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Allied Group Limited ("AGL") is interested in 3,082,589,606 Shares, representing approximately 74.97% of total issued share capital of the Company, as recorded in the register of interests and short positions kept under Part XV of the SFO. These 3,082,589,606 Shares are held by Bright Clear Limited ("Bright Clear") which is an indirect wholly-owned subsidiary of AGL. AGL was therefore deemed to have an interest in these Shares in which Bright Clear was interested.

As at the Latest Practicable Date, Mr. Lee Seng Hui, Ms. Lee Su Hwei and Mr. Lee Seng Huang are the trustees of Lee and Lee Trust, being a discretionary trust. They together owned approximately 65.01% interest of the issued share capital of AGL (inclusive of Mr. Lee Seng Hui's personal interests) and were therefore deemed to have an interest in the Shares in which AGL was interested.

Based on such interest in the Shares and in the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Proposal and assuming that no further Shares are issued or repurchased prior to the Annual General Meeting, the interest of Lee and Lee Trust and the parties acting in concert with it (including AGL) will be increased to approximately 83.30% of the issued share capital of the Company.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Repurchase Proposal. The Directors have no present intention to exercise the power to repurchase Shares pursuant to the Repurchase Proposal to such extent as would result in such takeover obligation. The Directors have no immediate intention to repurchase Shares to the extent that will result in the amount of Shares held by the public being reduced to 25% if the Repurchase Proposal is approved at the Annual General Meeting.

## 7. SHARE REPURCHASE MADE BY THE COMPANY

The Company has not repurchased any Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
